Readings, Services and Retail Sales: All transactions are made between participant/vendor and visitor/customer and DO NOT go through the Museum. We have an ATM Machine in the Gift Shop if customers need cash. However, it is advisable to have credit card capability for increased sales. Please bring adequate change for customers as we will not be able to make change. All monies incurred from readings, services and product sales are yours to keep. Participants and Vendors are encouraged to have all products clearly marked and service prices listed for visitors to see prior to engaging with them. It is the responsibility of the participant/vendor to collect and report Arizona State sales taxes.

Marketing: We will advertise this event on our website, social media, local newspapers and via partnership with Apache Junction Parks & Rec. Dept. We encourage you to also post on your social media platforms and feel free to copy our flyer to hand out.
